

Road and sidewalk closure

Where: South Shaw Lane, between Red Cedar Road and Farm Lane. (see graphic below)

When: From 6 a.m. to 3 p.m., on Saturday, March 23.

What is being done: Closure of S. Shaw Lane and associated sidewalks in front of the Engineering Building.

Why this is being done: A crane lift will be in operation to replace a failed fan assembly in the building penthouse.

How this will impact the campus community: During this work, both lanes of S. Shaw Lane will be closed to vehicular and pedestrian traffic.
